Collection 20/21

Chapter 1

We are thrilled to introduce our new Collection 20/21, Chapter 1. 'The first 100' items, specially designed for you! A mix of fabulous new styles, new shapes, new art, new colours, new prints, and some 'good old' basic - and vintage items.

Collection 20/21 takes you on an inspirational journey along four inspirational regions: from North to East, via West to South. Gained inspiration, merged in four styles, each with their own typical feel and vibe. The Northern inspirational style is minimalistic, with frosted colours, clean basic natural looks and chrome as the new additional colour. While the Eastern vibe gives you boudoir, French floral fashion based styles as well as beautiful vintage classics. In the Southern style you feel, sense and smell Menorca, the Mediterranean, organic natural colours and materials. The Western inspirational style brings you urban, city and street vibes, funky colours and travel treasures. By mixing & matching all styles, you create your own perfect vibe.

The curvy silhouettes of the matt white vases mix beautifully with the crispy white framed brutalism painting and our clean shaped JAX couch elements. Complete the look with a vibrant mix of cushions, a green glass vase and our natural wool retro rug.

Are you the chef at home? With our Home Chef ceramics, you will blow everyone's mind. The high-quality ceramics are made of hotel porcelain – a stronger kind of ceramic – made for professional use. Mix the different designs and colours on page 8 for a perfect home chef table setting.

When it comes to funky colours and finishes, it really is time to shine for our 70's ceramics on page 50. New shapes and designs found their way into this series, to give it that seventies glow. There is much more to collect and much more to mix & match. And many more ways of adding some jaw-dropping attention to your kitchen and cupboard.

What memory pops into your head, smelling your favourite scent? Northern Soul, Floral Boudoir, Casa Fruits or Cocktails in Manhattan? Our new scented candles on page 70 will create your own vibrant style and memory at home.

In the end, we always look to highlight an array of styles, as long as they strike a contemporary note and complement your home and your vibe. Be inspired!

Matt white porcelain vases

Curvy silhouettes

Inspired on the old "biscuit style" ceramics, this bunch of funky looking vases are anything but old fashioned. The beautiful and decorative set of 4 vases is made of luxury quality "Deuha porcelain" with a pure matt white finish. We are so in awe with these rocky portrayals, that they, either in a group or as a stand-alone, would look gorgeous without a flowery accent in them.

Gradient ceramics

Earthy tones in organic shapes, we like it when things do create a vibe! With their speckled surface, curvy shapes and roughed look, the gradient ceramics series reflects this. It's almost like we dug 'm up ourselves and gave each piece a neat and distressed polish. We have added deep plates and mugs in all 4 colours to our gradient ceramics family, for the perfect mix & match gradient table setting.

Kyoto ceramics

The tradition of the Japanese tea ceremony inspired us to create a range of earthy tableware. A serene and sensational assortment, filled with burnt earthy hues, to take you along your own beautiful Asian ritual.

Beauty from Japan

To complete your own Japanese ritual, we have added a number of beautiful items: Japanese matcha bowls, Japanese yunomi mugs, Japanese noodle bowls, Japanese salad bowls, Japanese shallow bowls and for the finishing touch: Japanese tea spoons.

The items in our Kyoto ceramics family are produced in Japan, the country of their origin. They are all hand finished and hand glazed, to give them a traditional and unique Japanese feel.

The perfect art wall

We believe that a home is not finished without having a piece of art on the wall. Getting inspired through so many types of art, we designed this mixed art wall collection.

Our extensive and varied wall art collection is simple, minimalistic and created with distinctive techniques. Mixed styles, fluently mixed using different materials: hand painted -, photography - , layered paper - and 3D art, framed as well as non-framed.

This collection is proof that you don't have to be afraid of picking the wrong style or mixing different colours. A mixed wall like this is minimalistic and yet eye-catching, which leaves room for interpretation and imagination.

All you have to do –as an art connoisseur– is to sit back, scroll through this collection of art prints and find the right artistic trend, that beautifully combines your inner art soul with your art filled home.

20/21 Chapter 2

Collection 20/21

Chapter 2

We are proud to present the next chapter of our Collection 20/21: Chapter 2! 'The second 100' are designed for you as a stand-alone collection, as well as design items to mix with our existing Chapter 1 collection. Chapter 2 is a bold mix of new, yet vintage inspired, styles. You will find fabulous new shapes, new prints, added wall art colour shades, new sofa fabrics and an addition of some 'good old' new vintage items, and colours, to our 70's ceramics collection.

May we present, with pride: DORIS for HKLIVING! Being passionate about design, fashion, prints, vintage and craftsmanship and loving to work with of kindred spirits, it was love at first sight with DORIS vintage! In this true co-creation DORIS has given vintage fashion treasure vibes to our designs, by taking it a step further. The result, on page 86, is a fabulous floral chic, with a boudoir finishing touch, collection, that suits both our styles: DORIS for HKLIVING.

For this second chapter, we designed a new beautiful, vintage, Danish inspired, modular cabinet. Five elements in three different colours, which can be mixed your way, to create the setup you love! The modular drawer cabinet, with its organically shaped handles, breathes the 50s and 60s, while the modular sideboard adds many ways to mix into a cabinet with vintage vibes. On page 110.

We believe that a home is not finished without having a piece of art on the wall. Our extensive and varied wall art collection is simple, minimalistic and created with distinctive techniques. For this second chapter, we have extended the framed relief panel art collection of Chapter 1, with three new colours and two extra sizes, on page 118. Beautifully combine your inner art soul with your art filled home!

To our sofa collection, we added three beautiful new fabrics, to complete the line and choice. Let's welcome new fabrics: Ted - Stone, Royal velvet - Blue and Corduroy velvet - Aged gold, on page 94, 126 and page 146.

When we first created the 70s ceramics collection, we knew we made something special. The warm hues, the raw textures and the playful designs add sass to a beautiful scheme. New shapes and designs have been added, funky colours and finishes found their way into our collection 20/21 Chapter 2, on page 133.

We always look to highlight an array of styles, as long as they strike a contemporary note and complement your home and your vintage vibe. Be inspired!

Enjoy Collection 20/21 Chapter 2

DORIS for HKLIVING

We are passionate about design, fashion, prints, vintage and craftsmanship and love to work with kindred spirits. It was love at first sight with DORIS vintage!

That's why a co-creation between two Dutch vintage loving brands was the only option. So may we present, with pride: DORIS for HKLIVING!

We were inspired to give our iconic HKliving lobby bench a vintage touch up, so why not renew it with a DORIS inspired vintage floral print? Also our pillow collection could use some vintage vibe, so we created a mix of double sided printed cushions, inspired by DORIS' vintage treasures. The eye-catcher is the handmade lantern with DORIS' floral print: a true piece of art and traditional craftsmanship.

Kim Wijte is the vintage treasure hunter behind DORIS vintage. Her found treasures include: floral, boudoir, and 'très chic' patterns. Mainly found in clothing, but in our collaboration we decided to take it a step further. Together we created "something floral, something chic, with a boudoir finishing touch"; a collection that suits both our styles.

70s ceramics

'WHEN WE FIRST CREATED THE 70S CERAMICS COLLECTION,
WE KNEW WE MADE SOMETHING SPECIAL.'

The warm hues, the raw textures and the playful designs add sass to a beautiful scheme. The collection reflects layers of colour, patterns and texture. Whether you are a first time lover of our 70s ceramics, or a long term collector, there is always room for more! Funky colours and finishes have been added, new shapes and designs found their way into our collection of mugs, bowls and plates.

New: Collection 20/21, Chapter 2

Let's introduce our 70s ceramics Chapter 2 additions: a beautiful cookie jar in two finishes, the Chapter 1 storage jar in two extra finishes, a new set of the popular Americano mugs, a new set of 2 tea mugs and a brand new, special-requested, set of 4 ristretto mugs! There is so much more to collect and many more ways to mix & match our 70s ceramics collection!

'An eclectic mix of tableware.'

Bold&Basic ceramics

'BOLD AND MINIMALIST?'

Bold and minimalist? It is possible with this collection of bold colours in basic shapes. Together they form the ultimate embodiment to an eclectic mix of tableware.

Mix & match bold coloured - or palm - plates with basic mugs to create a unique and yet sophisticated look. This organic hand shaped collection adds character to your cabinetry. For the finishing touch, we have added a bold silver colour tea pot, ceramic tea spoons in four basic shades and two colour sets of organic shaped ceramic mugs with an ear, packed in a gift box, to our Bold&Basic ceramics family.

'When an interior brand and a beach hotel put their heads together!'

HKliving Suites Special Collection

'When an interior brand and a beach hotel put their heads together!'

In an ultimate summer dream we created something special: a beach inspired collection, made for lazy days in the sun and endless summer nights.

The HKliving Suites Special Collection is the result of a wonderful collaboration between two Dutch brands: HKliving and Strandhotel Zoomers, a brand new beach hotel on the North Sea coast. Inspired by the surroundings of the hotel: the colours of the sand, the endless sunsets and the rhythm of the sea, we created this ultimate summer feel collection.

We designed these items to complement the beach lovers, the sun seekers and the nature lovers, to crave an ultimate beach feel at home. What better way to crank up your beach day snoozing on a comfy but stylish beach blanket? Or sipping away at sunset by holding a perfectly shaped sunset mug in your hands? When it is time to go home, you create the same magical mood indoors, by switching on these shell shaped wall lamps. The muted colours of these beauties add to the serenity of the scene.

Strandhotel Zoomers, located in Castricum at Sea, is completely furnished with products from our collection. That is how you kick back and relax in style, in the HKliving Suites of Strandhotel Zoomers, at Castricum at Sea!

Let's make a beautiful summer vibe, with the HKliving Suites Special collection.
